NATUREL

Beach house Naturel is the white pearl at the end of Scheveningen beach where you find an atmosphere of serene tranquillity, quiet beauty and subdued class. The remote location away from finery and busy crowds makes Naturel an oasis of ease and simplicity: the perfect canvas for an atmospheric marriage.

All prices in this brochure are inclusive of value added tax (VAT)

ON A DESERT ISLAND

At Naturel you will find yourself surrounded by nothing but sand, sea and dunes. The remote and romantic wedding location that Naturel has to offer attracts only true beach lovers. Therefore, we will make sure that on your big day, you won't have to worry about anything but keeping your feet in the sand and your head in the clouds.

To ensure you that your day will be a magic and carefree experience, Naturel would love to take a part of the organization off your hands. Through years of experience, the event managers of Naturel have grown into true wedding planners.

Curious what else we can offer? Read on because we have thought of every single detail!

CEREMONY

Naturel is an official wedding location, which means you can actually celebrate your entire wedding on the beach! Create your own wedding setup together with our event managers.

Your ideas for the wedding setup will be perfectly carried out by our own specialized wedding team including the setup of a romantic wedding bench for the bridal couple, a table for the wedding officiant, a sound system including microphone and 50 +/- seats supplemented with standing places. Everything is possible and we are more than ready to organise your ceremony into detail.

To have the ceremony take place at Naturel, you pay a rent of €1000,-.

EVENTMANAGER:

In addition to the ceremony costs, we charge event manager. This is for all communication and agreements prior to the wedding, guiding the wedding ceremony and all organization on the day itself (from set-up to after dinner).

These costs are €450,-.

DECORATION

Naturel is defined by its elegance and crystal-clear atmosphere. Characteristic for Naturel is the perfect combination of having the outside surroundings on the inside and the crystal-clear light coming in. Add beautiful flowers, candles and the sound of crackling wood fire and you find yourself in an overwhelming romantic setting. Want to go all out? Looking for rentals? Or would you like to add your own personal style? You will find more information about rentals of our in-house stylist and wedding planner Wendy of 'Something borrowed Something new' in the back of the brochure.

IN PROSPERITY AND ADVERSITY

The most important thing for us, is that you, as a couple, enjoy your day to the fullest. This is why we would like to go through every detail and scenario together with you.

For example, less mobile people will be picked up with our Jeep at the end of the parking lot. This way they won't have to walk all the way to Naturel.

The saying: "better be safe than sorry" wasn't invented for nothing. Therefore, we always take 'least desired' weather into consideration. At the beach we are excellent weather managers, we can easily adjust to different types of weather. We can arrange an open transparent tent full of light, to create more space, entirely styled by Naturel. Up until two days before your marriage you can decide whether you want to make use of the tent or not. We can adjust as easy as the weather does.

PARKEREN

Er zijn meerdere goede mogelijkheden om te parkeren rondom het Zwarte pad, namelijk:

1. Garage Interparking Boulevard:

Reserveer van tevoren een plek. Let wel: de hoogte van de prijs hangt af van de drukte in de garage. Prijs per 24 uur (00:00-24:00) is vanaf €12,50 met een maximum van €30,-. Voor meerdere dagen reserveren is mogelijk; dit heet een “Flex parking”. Loopafstand naar NATUREL is 8 Minuten

2. Parkeerterrein Zwarte pad:

Betalen werkt hetzelfde als op straat parkeren. Dit kan via de eigen parkeerapp of via de vele parkeerautomaten die er staan. Vanaf €6,50 per uur met een maximaal dagtarief van €25,-. Het is niet mogelijk om hier vooraf te reserveren. Loopafstand naar NATUREL is 4 minuten (parkeer aan het einde van de parkeerplaats, niet aan het begin!)

3. Parkeergarages:

Kurhaus, Nieuwe Parklaan & Strand (Zwolsestraat) Vanaf €3,50 per uur met een maximaal dagtarief van €25,-.

4. Park + Beach:

Vanaf €6,- per dag. Reserveer via www.park-beach.nl een parkeerplaats in een van de parkeergarages buiten Scheveningen en ga vervolgens vanuit daar met de gereserveerde tram of deelfiets naar het strand. Zo sta je niet in de file, bespaar je kosten en sta je binnen 15 minuten met je voeten in het zand!
